OCTOBER 2004

INTERNATIONAL DESIGN INTERIOR

Interiors special

High-style living in Santiago, Sarasota and Sevilla

Why you need

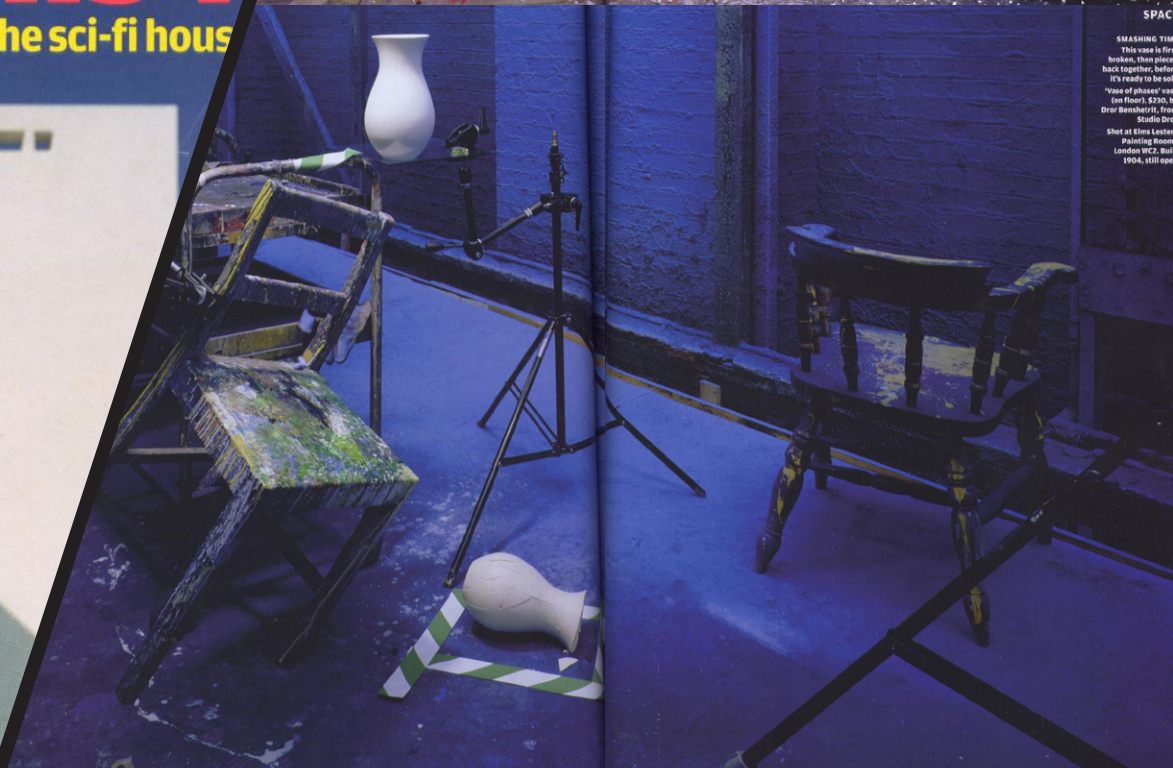

Out of this world

Uncovered! The sci-fi house

Broken homes

As furniture designers play with our notions of beauty (see page 71), a touch of decay has never been so decadent
Photographer Dan Tobin Smith, Interiors editor Lella Latchin

SPAC
SMASHING TIME
This vase is first
broken, then pieces
back together, before
it's ready to be sold.
"Vase of Phases" was
(on floor), \$230, by
Dror Bensheerit, from
Studio Dror.
Shot at Elms Lesters
Painting Room
London WC2, built
1904, still open
