## 2. FMC 11 by Bonaveri

FMC 11 combines wood, fabric  
and resins in a range of  
mannequins that illustrates  
the quality of Bonaveri's team  
of artisans.

## Dorothy by Boudt

Designed for the display of  
modern fashion, the futuristic  
Dorothy now comes in a new  
finish.

## Modern Man Two

Designed for  
display, Man Two is  
a unique additional  
piece.

Designed as  
a long  
display  
unit.

## 5. QuaDror by Studio Dror

What began at Studio Dror as  
an experiment has assumed a  
new role as display unit: among  
its many functions, the QuaDror  
structural support system is  
right at home in a retail setting.
